Corporate law (also known as business law or enterprise law or sometimes company law) is the body of law governing the rights, relations, and conduct of persons, companies, organizations and businesses. It refers to the legal practice relating to, or the theory of corporations. Corporate law often describes the law relating to matters which derive directly from the life-cycle of a corporation.

Table 1 presents descriptive statistics (after pooling the observations across the three survey years) for the three compensation components and their hypothesized determinants. Compensation and sales have been transformed into 1984 dollars using the relevant consumer price index. These CEOs' median cash compensation is equal to \$578,205 and the median total compensation is equal to \$800,000.
